## INTRODUCTION

A list of the plants in the Forest Service, Southern Region, Herbarium has been prepared.

The Herbarium houses mainly range and woodland plants collected from the Southeastern States.

Some of the officially listed endangered and threatened plants, termed as sensitive by the Forest Service, and also some of the plants under review collected from Forest Service lands in Region 8 are housed in the Herbarium. These will be used for documenting locality for such plants.

The resulting list will be useful to Forest Service employees interested in knowing what plants are represented in the Regional Herbarium and will assist those interested in collecting additional plant species not represented.

In addition to the scientific names and alpha codes, common names are provided. When common names do not exist the generic names are listed.

The list will be updated periodically as plant species are added to the Herbarium.

## HERBARIUM BRIEFS

Location: Forest Service Herbarium, U.S. Department of Agriculture,  
Southern Region (FSSR), Atlanta, Georgia.

Listed: Listed in Index Herbariorum (listing for the major herbaria of  
the world.)

Status: U.S. Government.

Foundation: 1962.

Number of Specimens: Ca. 9000. Representing 153 families, 722 genera  
and 2119 species. (Plants are listed alphabetically by family,  
genera and species.)

Important Collections: J. H. Buell, A. W. Johnson, E. H. Bomberger and E. E.  
Ripper.

Loan: To recognized botanical institutions.

Curator: Levester Pendergrass, Ph.D.  
Botanist.

## Arrangement of Plant Names

Species are grouped according to growth form (1) grasses, (2) grasslikes, (3) forbs, and (4) trees and shrubs. The ferns are included with the forbs, and vines are included with trees and shrubs. Within each growth form plant names are arranged alphabetically first by scientific name and by colloquial name.

## Symbols for Species

The Alpha Code or symbol for each species consists of the first two letters of the generic name plus the first two letters of the species name, all in capital letters, thus, CEAS for Centella asiatica. If the same four letters should fit two or more species, numerals are added to the duplicates; this makes a symbol of four letters plus a digit, as ASV12. Where a variety is shown, the first letter of the variety is added. This makes a five letter symbol, as in GAAEL for Gaillardia aestivalis var. lanceolata. If duplications should occur in symbols for varieties, a numeral replaces the fifth letter.

- \* Officially listed endangered and/or threatened plant species.
- o Plants under review
- + Specimens listed for which additional collections are needed.
- ! Sensitive plant species housed in the Herbarium. (May or may not be sensitive in all States in the Southern Region.)

## SCIENTIFIC NAMES

GRASSES

<u>Alpha Code</u>	<u>Scientific Name</u>	<u>Common Name</u>	<u>Family Name</u>
AGRE	Agropyron repens	quack grass	POACEAE
AGAL	Agrostis alba	redtop bent	"
AGEL	A. eliottiana	Elliott bent	"
AGHY	A. hyemalis	winter bent	"
AGPE	A. prennans	autumn bent	"
AGSC	A. scabra	rough bent	"
AGST	A. stolonifera	carpet bent	"
AGTE	A. tenuis	browntop colonial bent	"
AIEL	Aira elegans	pink hairgrass	"
+ ALCA	Alopecurus carolinianus	alopecurus	"
AMBR	Ammophila breviligulata	American beach grass	"
AMMU	Amphicarpum muhlenbergian	blue maiden cane	"
AMPU	A. purshii	peanut grass	"
+ ANCA	Andropogon cabanisii	cabanis bluestem	"
ANCA2	A. capillipes	chalky bluestem	"
ANCA3	A. caucasiu	caucasian bluestem	"
ANDI	A. divergens	pinehill bluestem	"
ANEL	A. eliottii	Elliotts bluestem Elliotts beargrass	"
ANGE	A. gerardii	big bluestem bluestem turkeyfoot	"

<u>Common Name</u>	<u>Scientific Name</u>	<u>Alpha Code</u>
Florida gooseberry	! Ribes echinellum	RIEC
Florida linden	+ Tilia floridana	TIFL
Florida maple	Acer barbatum	ACBA
Florida soapberry	Sapindus marginatus	SAMA
Florida torreyia	! Torreya taxifolia	TOTA
Florida willow	! Salix floridana	SAFL
Florida yew	! Taxus floridana	TAFL
Flowering dogwood	Cornus florida	COFL
Flowering quince	Chaenomeles lagenaria	CHLA
Fothergilla	! Fothergilla gardenii	FOGA
Fox grape	Vitis labrusca	VILA
Fragrant sumac	Rhus aromatica var. serotina	RHARS
Fragrant thimbleberry	Rubus odoratus	RUOD
French mulberry	Callicarpa americana	CAAM
Fraser fir	+ Abies fraseri	ABFR
Fraser magnolia	Magnolia fraseri	MAFR
Gallberry holly	Ilex coriacea	ILOO
Garberia	Garberia fruticosa	GAFR
Garberia	G. heterophylla	GAHE
Georgia linden	+ Tilia georgiana	TIGE

## COLLOQUIAL NAMES

TREES, SHRUBS AND VINES  
(Cont'd.)

<u>Common Name</u>	<u>Scientific Name</u>	<u>Alpha Code</u>
Georgia oak	! Quercus georgiana	QUGE
Glaucous pinewoods	Vitis lincedumii	VILI
Glorybower	Clerodendron trichotomum	CLTR
Gopher apples	Chrysobalanus oblongifolius	CHOB
Gray dogwood	Cornus racemosa	CORA
Great laurel	Rhododendron maximum	RHMA
Greenstem forsythia	Forsythia viridissima	FOVI
Ground blueberry	Vaccinium myrsinites	VAMY
Groundsel baccharis	Baccharis halimifolia	BAHA
Gulf linden	Tilia leuocarpa	TILE
Hairy whortleberry	+ Vaccinium hirsutum	VAHI
Harbisons hawthorn	+ Crataegus harbisonii	CRHA
Hazel alder	Alnus rugosum	ALRU
Hazel alder	A. serrulata	ALSE
Hearts a busting	Euonymus americanus	EUAM
Hercules club prickly ash	Zanthoxylum clava-herculis	ZACL
Highbush blueberry	+ Vaccinium corymbosum	VACO
Hobblebush viburnum	Viburnum alnifolium	VIAL
Hog peanut	+ Amphicarpa bracteata	AMBR
Holly	Ilex opaca	ILOP
Horse chestnut	+ Aesculus hippocastum	AEHI

## COLLOQUIAL NAMES

TREES, SHRUBS AND VINES  
(Cont'd.)

<u>Common Name</u>	<u>Scientific Name</u>	<u>Alpha Code</u>
Horse sugar	<i>Symplocos tinctoria</i>	SYTI
Huckleberry	+ <i>Gaylussacia ursina</i>	GAUR
Huckleberry lyonia	<i>Lyonia ligustrina</i>	LYLI
Hypericum	+ <i>Hypericum microsepalum</i>	HYMI
Hypericum	<i>Hypericum myrtifolium</i>	HYMY
Hypericum	<i>H. reductum</i>	HYRE
Icaco coco plum	+ <i>Chrysobalanus icaco</i>	CHIC
Indigobush amorphia	<i>Amorpha fruticosa</i>	AMFR
Inkberry holly	<i>Ilex glabra</i>	ILGL
Inland ceanothus	<i>Ceanothus herbacea</i>	CEHE
Ironweed	<i>Carpinus caroliniana</i>	CACA
Japanese fleecflower	<i>Polygonum cuspidatum</i>	POCU
Japanese honeysuckle	<i>Lonicera japonica</i>	LOJA
Japanese rose	<i>Rosa multiflora</i>	ROMU
Japanese spiraea	+ <i>Spiraea japonica</i>	SPJA
Judas tree	<i>Cercis canadensis</i>	CECA
Kuduz vine	<i>Pueraria lobata</i>	PULO
Lambkill kalmia	<i>Kalmia angustifolia</i>	KAAN
Lanceleaf buckthorn	<i>Rhamnus lanceolata</i>	RHLA
Lanceleaf greenbrier	<i>Smilax lanceolata</i>	SMLA
Large gallberry	<i>Ilex coriacea</i>	ILCO

## COLLOQUIAL NAMES

TREES, SHRUBS AND VINES  
(Cont'd.)

<u>Common Name</u>	<u>Scientific Name</u>	<u>Alpha Code</u>
Lanceleaf greenbrier	Smilax smallii	SMSM
Largeleaved snowbell	+ Styrax grandifolia	STGR
Late blueberry	Vaccinium vacillans	VAVA
Laurel oak	Quercus laurifolia	QULA
Leather flower clematis	Clematis viorna	CLVI
Leatherwood	+ Dirca palustris	DIPA
Leiophyllum	+ Leiophyllum buxifolium var. buxifolium	LEBUB
Leucothoe	Leucothoe editorium	LEED
Leucothoe	L. recurva	LERE
Little huckleberry	Gaylussacia nana	GANa
Little locust	+ Robinia nana	RONa
Littleleaf cyrilla	Cyrilla parviflora	CYPa
Littlelip hawthorn	Crateagus spathulata	CRSP
Live oak	Quercus virginiana	QUVI
Loblolly pine	Pinus taeda	PITA
Loblollybay gordonia	! Gordonia lasiatus	GOLA
Lombardy black poplar	+ Populus nigra var. italica	PONII
London planetree	Platanus acerifolia	PLAC
Lonicera	Lonicera bella	LOBE
Lyonia	Lyonia fruticosa	LYFR

## COLLOQUIAL NAMES

TREES, SHRUBS AND VINES  
(Cont'd.)

<u>Common Name</u>	<u>Scientific Name</u>	<u>Alpha Code</u>
Lythrum	+ Lythrum flagellare	LYFL
Macartney rose	Rosa bracteata	ROBR
Mapleleaf viburnum	Viburnum acerifolium	VIAC
Meadow sweet	+ Spiraea alba	SPAL
Melothria	Melothria pendula	MEPE
Mimosa	Albizia julibrissin	ALJU
Mock-orange	Philadelphus inodorus	PHIN
Mockernut hickory	Carya tomentosa	CATO
Montgomery hawthorn	Crateagus pyracanthoides	CRPY
Moonseed	+ Menispermum canadense	MECA
Mountain camellia	+ Stewartia ovata	STOV
Mountain holly	Ilex montana	ILMO
Mountain heather	* Hudsonia montana	HUMO
Mountain indigo amorpha	Amorpha glabra	AMGL
Mountain laurel	Kalmia latifolia	KALA
Mountain lover	Paxistima canybi	PACA
Mountain maple	Acer spicatum	ACSP
Muscadine grape	Vitis rotundifolia	VIRO
Myrica	Myrica cerifera var. pumila	MYCEP
Myrsine	+ Rapanea guianensis	RAQU

## COLLOQUIAL NAMES

TREES, SHRUBS AND VINES  
(Cont'd.)

<u>Common Name</u>	<u>Scientific Name</u>	<u>Alpha Code</u>
Myrtle oak	<i>Quercus myrtifolia</i>	QUMY
Narrowleaf baccharis	+ <i>Baccharis angustifolia</i>	BAAN
Narrowleaved crabapple	<i>Malus angustifolius</i>	MAAN
Nashs viburnum	<i>Viburnum nashii</i>	VINA
Needle palm	! <i>Rhaphiophyllum hystrix</i>	RHHY
New Jersey tea	<i>Ceanothus americanus</i>	CEMI
Nippon spiraea	<i>Spiraea nipponica</i>	SPNI
Northern bayberry	+ <i>Myrica pensylvanica</i>	MYPW
Northern dewberry	<i>Rubus flagellaris</i>	RUFL
Northern Red oak	<i>Quercus borealis</i>	QUBO
Northern white cedar	<i>Thuja occidentalis</i>	THOC
Norway maple	<i>Acer platanoides</i>	ACPL
Nuttall oak	<i>Quercus nuttallii</i>	QUNU
Oakleaf hydrangea	<i>Hydrangea quercifolia</i>	HYQU
Odorless wax myrtle	<i>Myrica inodora</i>	MYIN
Ogeechee plum	<i>Nyssa ogeche</i>	NYOG
Oglethorpe oak	! <i>Quercus oglethorpensis</i>	QUOG
One-flower hawthorn	<i>Crateagus uniflora</i>	CRUN
Osmanthus	<i>Osmanthus americana</i>	OSAM
Overcup oak	<i>Quercus lyrata</i>	QULY
Pagoda dogwood	<i>Cornus alternifolia</i>	COAL

## COLLOQUIAL NAMES

TREES, SHRUBS AND VINES  
(Cont'd.)

<u>Common Name</u>	<u>Scientific Name</u>	<u>Alpha Code</u>
Painted buckeye	+ Aesculus sylvatica	AESY
Paper birch.	Betula papyrifera	BEPA
Parsley hawthorn	Crateagus marshallii	CRMA
Pasture gooseberry	Ribes cynosbati	RICY
Pecan hickory	+ Carya illinoensis	CAIL
Pennyroyal	+ Satureja rigida	SARI
Pensacola hawthorn	+ Crateagus lacrimata	CRLA
Persea	Persea palustris	PEPA
Pickneya	! Pickneya pubens	PIPU
Piedmont azalea	Rhododendron canescens	RHCA
Pignut hickory	Carya glabra	CAGL
Pin oak	Quercus palustris	QUPA
Pineland St. Johnswort	+ Hypericum aspalathoides	HYAS
Pinkshell azalea	o Rhododendron vaseyi	RHVA
Pinxter flower	R. nudiflorum	RHNU
Piratebush	! Buckleya distichophylla	BUDI
Pitch pine	Pinus rigida	PIRI
Poison ivy	Rhus radicans	RHRA
Poison oak	R. toxicodendron	RHTO
Poison sumac	R. vernix	RHVE
Polycodium	Polycodium spp.	POSP

## COLLOQUIAL NAMES

TREES, SHRUBS AND VINES  
 (Cont'd.)

<u>Common Name</u>	<u>Scientific Name</u>	<u>Alpha Code</u>
Pondbald cypress	Taxodium ascendens	TAAS
Possum grape	+ Vitis baileyana	VIBA
Possumhaw holly	Ilex decidua	ILDE
Post oak	Quercus stellata	QUST
Prairie acacia	Acacia angustissima var. hirta	ACANH
Prairie willow	Salix humilis	SAHU
Prunus	+ Prunus subhirtella var. ascendens	PRSUA
Psychotria	Psychotria undata	PSUN
Pumpkin ash	+ Fraxinus tomentosa	FRT0
Purple rattlesnake	+ Daubentonia punicea	DAPU
Purple rhododendron	Rhododendron catawbiense	RHCA
Quercus	Quercus obtusa	QUOB
Quercus	! Q. oglethorpensis	QUOG
Rafinesque viburnum	+ Viburnum rafinesquianum	VIRA
Red ash	Fraxinus pennsylvanica	FRPE
Red basil	Satureja coccinea	SACO
Red buckeye	Aesculus pavia	AEPA
Red Chokeberry	Sorbus arbutifolia	SOAR
Red hickory	Carya ovalis	CAOV
Red maple	Acer rubrum	ACRU

## COLLOQUIAL NAMES

TREES, SHRUBS AND VINES  
(Cont'd.)

<u>Common Name</u>	<u>Scientific Name</u>	<u>Alpha Code</u>
Red mulberry	Morus rubra	MORU
Red raspberry	+ Rubus idaeus var. canadensis	RUIDC
Red shank, ceanothus	Ceanothus microphyllus	CEMI
Red shanked graped	Vitis rufotomentosa	VIRU
Red spruce	Picea rubens	PIRU
Redbay persea	Persea borbonia	PEBO
Redbead greenbrier	Smilax walteri	SMWA
Redroot	Lachnanthes caroliniana	LACA
Redroot ceanothus	Ceanothus intermedius	CEIN
Rhododendron	! R. bakeri	RHBA
Rhododendron	R. major	RHMA
Rhododendron	+ R. prunifolium	RHPR
Rhododendron	R. spp.	RHSP
River birch	Betula nigra	BENI
River walnut	Juglans microcarpa	JUMI
Riverbank grape	Vitis vulpina	VIVU
Rochroseleaved St. Johnswort	Hypericum cistifolium	HYCI
Rock clematis	+ Clematis verticillaris	CLVE
Rock elm	+ Ulmus thomasi	ULTH
Rosemary sandheath	Ceratiola ercoides	CEER

## COLLOQUIAL NAMES

TREES, SHRUBS AND VINES  
(Cont'd.)

<u>Common Name</u>	<u>Scientific Name</u>	<u>Alpha Code</u>
Roundleaf dogwood	+ <i>Cornus drummondii</i>	COOR
Rubus	+ <i>Rubus chapmanii</i>	RUCH
Rubus	<i>R. floridus</i>	RUFL
Rusty blackhaw viburnum	<i>Viburnum ruficolum</i>	VIRU
Sand bamboo	<i>Smilax auriculata</i>	SMAU
Sand blackberry	<i>Rubus cuneifolius</i>	RUCU
Sand grape	+ <i>Vitis rupestris</i>	VIRU
Sand pine	+ <i>Pinus clausa</i>	PICL
Sandbrush St. Johnswort	<i>Hypericum fasciculatum</i>	HYFA
Sandhill buckthorn	+ <i>Bumelia lacuum</i>	BULA
Sandhill kalmia	<i>Kalmia hirsuta</i>	KAHI
Sassafras	<i>Sassafras albidum</i>	SAAL
Saw greenbrier	<i>Smilax bona-nox</i>	SMBO
Scarlet elderberry	<i>Sambucus pubens</i>	SAPU
Scarlet hamelia	+ <i>Hamelia patens</i>	HAPA
Scarlet oak	<i>Quercus coccinea</i>	QUCO
Schisandra	! <i>Schisandra glabra</i>	SCGL
Scotch broom	<i>Cytisus scopartus</i>	CYSC
Scrub oak	<i>Quercus ilicifolia</i>	QUIL
Scrub pine	<i>Pinus virginiana</i>	PIVI
Scrubby post oak	<i>Quercus margaretta</i>	QUMA

## COLLOQUIAL NAMES

TREES, SHRUBS AND VINES  
(Cont'd.)

<u>Common Name</u>	<u>Scientific Name</u>	<u>Alpha Code</u>
Sebastian bush	Sebastiana ligustrina	SELI
Seminoleta pawpaw	Asimina reticulata	ASRE
Serviceberry holly	Ilex amelanchier	ILAM
Shin oak	Quercus vaseyana	QUVA
Shingle oak	Q. imbricaria	QUIM
Shinleaf pyrola	+ Pyrola rotundifolia	PYRO
Shortleaf pine	Pinus echinata	PIEC
Shrub althea hibiscus	Hibiscus syriacus	HISY
Shrub lespedeza	Lespedeza bicolor	LEBI
Shrubby St. Johnswort	Hypericum spathulatum	HYSP
Shumard Red oak	Quercus shumardii	QUSH
Siberian elm	+ Ulmus pumila	ULPU
Silky Camelia (Camellia)	! Stewartia malacodendron	STMA
Silky dogwood	Cornus amomum	COAM
Silky willow	Salix sericea	SASE
Silver hydrangea	Hydrangea arborescens var. radiata	HYARR
Silver maple	Acer saccharinum	ACSA
Silverberry	Elaeagnus angustifolia	ELAN
Slash pine	+ Pinus caribaea	PICA
Slimleaf pawpaw	Asimina angustifolia	ASAN
